

9. The vertical portion that is closest to the reference corner will be called portion #1. Portion #2 is located immediately to the left of portion #1, and portion #3 is located to the left of portion #2. In portion #1, label the three boxes (starting with the top one) with **Drawing Name:**, **Contestant #:**, and **Contestant Initials:**.

10. In portion #2, label the four boxes (starting with the top one) with **Weight:**, **Material:**, **Scale:**, and **Drawing Number:**.

11. In the SCALE: box, further divide it by putting in a vertical line that is 1.32" to the left of its RH end. Label this new box as **Sht No.:**

12. In portion #3, label the two boxes as shown below. Tolerance notes are to be 0.06" tall, the label SkillsUSA is to be 0.25" tall and bold, and the city and state are to be .125" tall. Everyone's drawings shall list "LEESBURG, VA", not your home town and state.

When you arrive for the competition, update the title block by placing your contestant number inside the lower left corner of the drawing border.

Contestant #:

Every document that is submitted for judging must have this title block format for points to be awarded.
