STATE OFFICER APPLICATION PACKET

Greetings State Officer Applicant,

First and foremost, thank you for choosing to run for a position on the State Officer Team! Congratulations are also in order as you are one out of roughly 15,000+ members to take on this challenge! Less than half of a percent of our membership chooses to run for office and only 11 members are elected to fill the positions. It is truly astounding when it is put into this perspective.

You are about to embark on an amazing, life changing journey, which will not only develop your leadership skills, but bring your personal and life skills to new heights. There will be many tasks ahead that will challenge you in all aspects, but I know you possess the necessary skills to face them head on. The skills you already have and the skills you will gain from this experience, will only better prepare you for a successful future in the workplace.

Election of the State Officer Team is a very important component of SkillsUSA Arizona. If elected, you will be required to miss several days of school to attend training, public functions and various conferences. Please ensure you fully understand the major commitment you are making to this organization and especially me. Please also share this information with your parents, as they will be proud to know you are seeking a leadership position in this great association.

I look forward to receiving your application and seeing you on the State Office Team!

Warmest Regards,
