WHAT YOU NEED TO KNOW

Leadership Training Camp—Preparing the Student—is the most intense leadership experience offered through SkillsUSA in Arizona. The planning committee uses tremendous resources to bring in interesting, educational and fun speakers and presenters to engage students during the 3 day event.

We know it's camp, but it's our premier leadership experience and allows students to work with others from across Arizona, challenges them to think about their roles their own community, how to work with others to accomplish large and small goals and the importance of understanding their own strengths.

Join us at LTC and watch your students thrive in SkillsUSA!
